

Advanced Higher Art and Design

About the Course:

This course is for interested, self motivated pupils who either wish to pursue Art and Design as a career option or wish to continue their achievements at Higher level to a further qualification.

THERE ARE 2 MAIN AREAS

OPTION ONE :

Design Enquiry (15 sheets)

This will involve the student in identifying a theme or area of investigation and the resolution of design problems arising from it. You choose the area to work within i.e Fashion , Graphics , Product , Jewellery ,Architecture etc...

OPTION TWO :

Expressive Enquiry (15 sheets)

This will involve the student in identifying and selecting a theme or area of investigation capable of supporting sustained study in depth. This will involve expressive activities including Drawing , Painting , Sculpture and Printmaking.

Other Information :

A (2000 word essay) based on a subject of your choice which relates to your theme has to be included with the practical work.

All work is externally assessed .

There is no written exam.
