

HIGHER ART AND DESIGN

About the course:

This course aims to develop the basic art and design activities you experienced at National 5 to a more creative and literate level.

There are 3 areas of the course:

Design Activity

Students work is based on an area of Design of your choice ,for example Graphics , Product , Architecture , Interior , Jewellery and Fashion Design. **Marks-100-38.5%**

Expressive Activity

Students work is based on areas of study like Still Life , Landscape , Portraiture , Figure Composition , Built Environment .

Both expressive and Design activities are presented to SQA for external assessment.(3 A2 sheets for each activity). **Marks 100-38.5%**

Art and Design Studies

Students gain insight into the role and aims of artists and designers in both past and contemporary society.

This is assessed by a written external

Marks- 60-23%
