

NATIONAL 4 & 5 ART AND DESIGN

BOCLAIR ACADEMY ART & DESIGN DEPARTMENT

Why choose Art & Design ?

Opting for Art and Design in S3 gives you the opportunity to develop your artistic skills in a more challenging way and explore the real world of Art and Design through a diverse range of practical activities , From Architecture to fashion design, Sculpting with clay to Painting portraits .We encourage breadth and choice to give you the best opportunity to develop your own ideas in a creative and imaginative way. You will also have the opportunity to study the work of Artists and Designers which will enhance your enjoyment and deepen your knowledge and understanding of the subject.

The skills that you have gained in art and design during the BGE will enhance the pupils understanding of the S4 requirements in all three areas of the National 4 and 5 course. It will also give pupils confidence to make their own choices when undertaking Expressive and Design folio work in S4.

The Course

Pupils will be involved in 3 activities Throughout S3 and S4.

Expressive Folio -

Drawing ,Painting ,Printmaking and Sculpture.

Pupils will work from a range of Subject Matter covering Portraiture, Still Life ,landscape Built Environment and Figure Composition.
