

## DRIVER'S RESPONSIBILITIES

- In adverse weather conditions drivers **MUST** liaise with Head Teachers to ensure the safety of the children.
- In periods of snow and ice the driver must use his discretion to decide if a road is passable or not. He should endeavour to choose a route which gives the greatest number of children a reasonable chance of getting to school safely.
- At their own discretion drivers may abandon a morning journey and return all pupils already picked up to their homes and inform the relevant Head Teacher concerned. See bullet point on page 2.\*
- On homeward journeys pupils shall only be set down at their normal vehicle set down point. If there is a possibility that the vehicle will be unable to take the pupils to that point, contingency plans should be made with the Head Teacher.
- In the event that transport cannot continue due to blocked roads or any other obstruction, children will be instructed to stay in the vehicle until rescue can be organised.

## STRATHCLYDE PARTNERSHIP FOR TRANSPORT/EAST DUNBARTONSHIRE COUNCIL'S RESPONSIBILITIES

- SPT will contact a Senior Officer within EDC to advise of difficulties with transport.
- Senior Officer will contact Head Teachers.
- Head Teachers to contact parents, where possible by text message, (at peak times there may be delays due to volume across local authorities).
- \* In the event of journey being abandoned, Head Teachers will advise the driver of any change to normal home address.
- At the beginning of every session, the school should update the contact details for all parents/guardians for pupils accessing school transport. This will allow school office staff to inform parents/guardians immediately of changes due to adverse weather.
- If the inclement weather is continuous, the school will update their website on a daily basis.

## PARENTAL RESPONSIBILITIES

- To ensure child/children are at designated pick up point (**please note** that in adverse weather this may differ from original point, Head Teacher will advise).
- If concerns regarding bus arrival, contact bus operator and/or school.
- Parents should ensure that they notify the school of any changes to their contact details.
- If they have not already done so, parents are advised to register for the text messaging alert system within their child's school.
- Where inclement weather is present and it is probable that the current pick up point is unlikely to be accessed, parents should take a common sense approach and their child/children should be taken or directed to the closest accessible pick up point within a reasonable distance.
