- Christmas Carol Singalong

Tuesday

- Soul Voices

Wednesday

- Folk Group
- Creative Collective

Thursday

- Orchestra

Friday

- Remix Orchestra
- String Ensemble

Pupils in S3 focus on either developing Music Performance Skills or Music Technology yet are still encouraged to experience as many different performance opportunities as possible. All pupils in Performance take part in our community project with Alzheimers Scotland and perform at a monthly event in our local community called 'Mind That Song'

Our busy wider achievement programme ensures all pupils can participate in an inclusive whole-school club at lunch or after school and be part of our high profile concerts in December and June.

Please visit our Level 4/5 specific subject pages for more information.
